Empowering Changemakers

Natalia Velasquez Lopera

Natalia Velásquez is an expert in the fields of finance, business, and entrepreneurship advisory with focus in Latam Markets. From a strong Tech and Services background, she supports clients and businesses in this main area to define their financial strategy.

Natalia has more than 10 years of experience in the corporate international industry, serving as Client Manager, Financial Analyst, and Investing Operations Leader. As an independent consultant and advisor, she has been able to support investors and entrepreneurs in finding the best approach possible to their challenges.

She drives Investment opportunities for Impact Startups and Investors; and is more than willing to support Impact organizations and startups in their financial path to success.
